Dear Mr. Freeburg:

Thank you for sharing your handsome book, *The Valley of 10,000 Smokes: Revisiting the Alaskan Sublime*. Your publication is a marvelous tribute to you and the Griggs' expeditions of 1915-1919. I reviewed the September 1921 Robert Griggs' article in our archives, which is fascinating. The Expedition reports also were published in 1917 and 1918. I'm glad that President Carter had the vision and fortitude to preserve most of Katmai in 1979.

Your photography is stunning!

Thank you again for sharing your book and the passion it represents.

Warm regards.

Sincerely,

A handwritten signature in black ink that reads "Terrence B. Adamson". The signature is written in a cursive style with a long horizontal line extending to the left and a long vertical line extending downwards from the end.
